Need curriculum?

- “How much should it cost to get great ideas for use in church? We agree with you: nothing! **DisciplesDocs** is the curriculum sharing section for anyone wanting to share ideas. With the open-source software movement as a model, DisciplesDocs provides curriculum for free. When you use it, come up with improvements, or come up with your own models, share them with the rest of the community to help everyone. Welcome and enjoy. “
