

# Clergy Information Station

Welcome! Whether you are new to the ministry, new to this region, or have served for many years in Mid-America, this page is for you.

The Christian Church in Mid-America is eager to assist you in finding information, locations of clergy support groups and opportunities for deepening your own discipleship and growing your competence as a servant-leader in the Church.

The first step for anyone seeking commissioning or ordination is to contact your Area Minister (linked below).

Let us know how we can be in support of your ministry!

CCMA Commission on the Order of the Ministry, [Dennis Swearingen](#), Chair

## Important Resources
