

There are pressing needs in our local communities that deserve attention.

Why go to serve in Mexico?

1. Jesus commanded it. He said, "Go and make disciples of all nations,"
2. People who participate often report life-changing transformations in faith and ministry.
3. Participants often re-invest in their local congregations and local congregations find their ministries expanding and growing more dynamic.
4. Develop lifelong friendships based on our common faith & ministry.
5. Acquire cultural & lifestyle understanding one can't learn from a vacation in Cancun.

We will help the congregation in Zacatecas with the completion of this building. In Mexico, they begin worshipping in a building that is far from complete. While they are able to use the worship area, most of the building isn't completed.
